

About Ramakrishna Mission

Ramakrishna Math and Ramakrishna Mission are twin organizations which form the core of a worldwide spiritual movement, aims at the harmony of religions, harmony of the East and the West, harmony of the ancient and the modern, spiritual fulfilment, all-round development of human faculties, social equality, and peace for all humanity, without any distinctions of creed, caste, race or nationality.

The service activities of the Ramakrishna Mission gathered momentum in Tripura with the establishment of Ramakrishna Mission Educational Complex as a branch centre of the Ramakrishna Mission, Belur Math, West Bengal, at Viveknagar, a rural area located 8 k.m. away from Agartala, the capital town of the State of Tripura. The development of this Educational Complex has an important background history, which deserves special mention. In 1989, a tripartite Peace Accord was executed between the Governments (Govt. of India, Govt. of Tripura) and Tripura National Volunteers, and following the said Peace Accord, the Ramakrishna Mission was invited to start educational services, and thus, the present Ramakrishna Mission Educational Complex has come to an existence at Viveknagar on 29th May in 1989, on the land handed over to the Ramakrishna Mission by the Government of Tripura.

Vision of the Mission

“We Need Technical Education
And All Else That Will Develop
Industries, So That Man Instead
Of Seeking For Service May Earn
Enough To Provide Themselves and
Save Against A Rainy Day”

- Swami Vivekananda.
